#### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Jonesville High School continued its proud tradition of providing quality education in academics in the year 2004-2005. The school received a state rating of "Excellent" on improvement and a state rating of "Average" on its absolute rating. Also, Jonesville High School was named as one of the recipients of the 2005 Palmetto Gold Award. This was the second year in a row that Jonesville High School has received this award. The extraordinary effectiveness of the academic program is reflected in the many accomplishments of our students. Many of our graduating seniors were offered scholarship opportunities at colleges and universities. 100% of our students taking the end-of-course exam in Algebra I and 70% of our students taking the end-of-course exam in Math Tech II successfully passed the exam.

Jonesville High School is committed to providing high school experiences that develop the whole young person. The curriculum at Jonesville High School offers a wide array of opportunities in the arts, music, academics, and athletics. Jonesville continues to seek new programs to expand services to our diverse population. The after-school extended-day program, the daily SAT Vocabulary program, the SAT preparation program, the daily Enrichment classes, the Saturday Academy, Writing Across the Curriculum, the Plato Lab, Advanced Placement classes, the drama program, the constricted curriculum, and the Honors program all give students at Jonesville High School opportunities to reach their maximum potential.

Jonesville High School is committed to providing a safe environment where all students are encouraged to strive for excellence. Jonesville has a challenging curriculum and a dedicated and caring faculty and staff who work diligently to support and encourage all students.

We look forward to the 2005-2006 school year and the challenges that face us. It is with confidence that we commit to serving our students and working as partners with the community of Jonesville in providing the best educational opportunities possible.
